

SOMME BATTLEFIELDS GUIDED TOUR (SMALL GROUP)

INCLUDED IN THE PACKAGE

With this trip down memory lane, we are offering you the chance to discover the most important sites of the Somme battlefields. The scars of the Great War are still visible: trenches, mine craters, obliterated vegetation and villages razed to the ground.

Follow your driver-guide and discover the area which was home to one of the most terrible battles of the Great War. Plunge into the history of the 1916 Battle of the Somme by visiting the Historial Museum in Péronne.

You will discover the villages of Villers-Bretonneux, Péronne as well as La Boisselle. Places where the Australian, British and Canadian troops earned renown. All of these places bear witness to our unwillingness to forget the past.

You will have lunch at Péronne in a tasty, typical restaurant.
